

GOOD NEWS WE HAVE A BUS

After a long time the Parish Council are pleased to report the introduction of a trial bus service to provide Brent Knoll with a new communication link. The service will operate on Tuesday's and Fridays initially with 3 return journey's and will run for a period of 18 months.

It is hoped that further funding can be obtained after that trial period in order to maintain the service.

The Service will be monitored and it is essential that it is used as much as possible in order to continue its viability.
